

URH Series High Pressure Regulator

Features

- 1. 400bar high inlet pressure and 300bar setting pressure.
- 2. Balance lifting structure to reduce the impact of inlet pressure decrease.

How to order

URH	—	4	C	2	N
High Pressure Regulator	Inlet pressure	Operating pressure range	Port size	Thread	
	4 :400bar	C:0 ~ 300bar	2 :1/4"	N :NPT	

Specifications

Model	URH-4C2N
Port size	1/4"
Fluid	High pressure gas 、 H ₂
Inlet pressure	400bar
Operating pressure range	0~300bar
Body material	SUS316L
Pressure balance	Non-relieving
Ambient temperature	-10°C ~ 70°C
CV value	0.55

Dimensions

URH-4C2N
