

Features

1. Strong construction and high quality seals ensures good durability.
2. Low starting pressure 20psi.
3. Piston moving with high repeatability.

How to order

VCH	–	15	03
High Pressure Check Valve		Operating pressure range	Port size
		15:15,000psi	03:3/8"

Specifications

Model	VCH-1503
Port size	Rc 3/8"
Fluid	High pressure gases 、 H ₂
Orifice	Ø5.4mm
Operating pressure range	15,000psi
Proof pressure	20,000psi
Starting pressure	20psi
Body material	SUS316L
Leaking test	Bubble test
Ambient temperature	-20°C ~ 80°C

Dimensions

VCH-1503
